1. The following is an examiner's statement of reasons for allowance: withdrawal of prior art rejection of former claims 27 and 28 in view of applicant's further amendment of these claims so as to specifically distinguish the claimed device from the prior art device of the record. Claims 1-7, 9-18 and 20-26 were already allowed in the office action dated 06/28/2004. Newly added claims 29-32 are also allowed since they include specifically claimed shielding structure, in combination with other claimed elements, that the prior art of the record does not disclose or teach, taken alone or in combination with other prior art of the record.

2. Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Any inquiry concerning this communication or earlier communications from the examiner should be directed to Ashok Patel whose telephone number is 571-272-2456. The examiner can normally be reached on Monday-Thursday.
